### ST. PETER & ST. PAUL

28<sup>th</sup> June 2015

We have arrived at the annual feast of the two great saints: Peter and Paul. The Church sets them before us as heroes and role models (and intercessors).

These two men were so very different in background and character but both found their common ground in the person of Jesus Christ; both were motivated by love of him and service of him. Those two hallmarks – love and service – should be ours.
